

## **Transatlantic package**

**Participate** in Transatlantic Week Brussels Briefing +  
**Sponsor** the Transatlantic Economy Report 2019  
**for a discounted price**

AmCham EU speaks for American companies committed to Europe on trade, investment and competitiveness issues. It aims to ensure a growth-orientated business and investment climate in Europe. AmCham EU facilitates the resolution of transatlantic issues that impact business and plays a role in creating better understanding of EU and US positions on business matters. Aggregate US investment in Europe totalled more than €2 trillion in 2017, directly supports more than 4.7 million jobs in Europe, and generates billions of euros annually in income, trade and research and development.

## AmChams in Europe: Why get involved?

In previous years several AmChams showed interest in sponsoring the Transatlantic Economy study. For the 2019 edition, we would like offer this opportunity again, this year at a discounted price when packaged with your participation in the Transatlantic Week and Brussels Briefing. We hope this makes planning for 2019 easier, and we look forward to welcoming you in March 2019 in Brussels!

### 1. Participate in Transatlantic Week and Brussels Briefing 2019:

**AmCham EU's Transatlantic Week** brings together every year high-level European and US stakeholders to discuss key priorities and challenges to the transatlantic relationship.

During the transatlantic week 2019 AmCham EU also welcomes European AmChams and multiple stakeholders from all over Europe to join for sharing best practices and networking during the Transatlantic Reception and Transatlantic Conference.

As always, the **Brussels Briefing** is an opportunity to get the latest updates on EU policy priorities and network with AmCham colleagues, numerous AmCham EU members, US Mission to the EU staff, Regional Senior Commercial Officers in Europe and many EU stakeholders. As in previous years the Briefing will also be a forum to discuss collaboration and joint advocacy and to share success stories.

### 2. Sponsor the Transatlantic Study 2019:

During the transatlantic week AmCham EU will also launch the latest version of the *Transatlantic Economy Study*. This study presents the most up-to-date facts and figures about the EU-US economic relationship. The research is conducted independently by Dan Hamilton and Joseph Quinlan of Johns Hopkins University School of Advanced International Studies. This year's edition will feature dedicated profiles for 30+ European countries and all US states, providing new insights into the deep ties that bind Europe and the US.
